OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2004-15

TO: All ISIS HR Paid Agencies

FROM: Jena W. Cary
Director

SUBJECT: New Wage Types for United Way, Union Dues, Housing, Meals and Other
Agency Specific Wage Types

Wage types are established in ISIS HR with settings that determine how deductions are processed, such as if the deduction will go into arrears or if retroactivity will be allowed. Due to changes in wage type processing, new wage types must be assigned in order to modify the settings. With the conversion to eEnrollment, the wage type settings associated with products maintained via the OGB/ISIS interface were modified as new wage types were established. Refer to SIS Memorandum #03-047r for complete details.

The attached wage types are scheduled to be moved into production on Tuesday night, October 21, 2003, with the following setting: will not go into arrears, will deduct all or nothing, and will only allow a decrease in the deduction amount to be retroactively processed. Also, on October 21, 2003, the old wage types will **automatically** be delimited as of October 26, 2003 and will **automatically** be converted to the new wage types with an effective date of October 27, 2003. ***There is no action required by the agency to convert the old wage types.*** The new wage types must be used for setting up new deductions starting with period 23 2003.
